

ZONE 1 – WEST END OF PROJECT AREA

Planned Improvements – Refer to Zone 1 Map

HARMONY ROAD: FULLER ROAD TO 82ND AVE

- › Restripe crosswalks at intersection of Harmony Rd and Fuller Rd and improve sight distance
- › Add pedestrian crossing with refuge island across from Clackamas Community College
- › Construct new 7-foot wide sidewalk with 5-foot wide planter strip and 6-foot bike lane on north side of Harmony Road between new pedestrian crossing and 82nd Ave
- › Improve street lighting in the project limits
- › Extend length of eastbound left turn lane onto northbound 82nd Ave and modify traffic separator
- › Widen sidewalk in front of North Clackamas Aquatic Center and add short sidewalk segments to create a north-south connection to Harmony Rd
- › Construct a 14-foot wide multiuse path to connect the existing path west of the Aquatic Center east to 82nd Ave

FULLER RD AND SOUTHGATE ST INTERSECTION

- › Add pedestrian crossing

80TH AVE: HARMONY RD TO SOUTHGATE ST

- › Widen and improve 80th Ave for local access and circulation

82ND AVE: SOUTHGATE ST TO SUNNYBROOK BLVD

- › Provide double left turn lanes and single right turn lanes on northbound and southbound 82nd Ave
- › Add traffic separator between Sunnyside Dr and Sunnybrook Blvd for access management and allow for U-turns at the intersections of Sunnyside Rd and Sunnybrook Blvd
- › Relocate bus stop on southbound 82nd Ave from south of Sunnyside Rd to north side and improve bus stop waiting area
- › Add bus turnout with bike lane on southbound 82nd Ave at Sunnybrook Blvd
- › Provide double left turn lanes onto eastbound Sunnybrook Blvd
- › Replace or modify traffic signals
- › Add Clackamas Regional Center gateway entry feature near Sunnybrook Blvd

84TH AVENUE: SUNNYSIDE ROAD TO SUNNYBROOK BLVD

- › Remove one travel lane, restripe roadway, and add stormwater swale and detention

SUNNYBROOK BOULEVARD: 82ND AVE TO 84TH AVE

- › Increase westbound left turn lane lengths onto southbound 82nd Ave
- › Replace or modify traffic signals
- › Add 12-foot wide cycle track for pedestrians and cyclists on north side of Sunnybrook Blvd between 82nd Ave and 84th Ave

SUNNYSIDE ROAD: 82ND AVE TO 84TH AVE

- › Construct a 12-foot wide cycle track to extend the existing multi-use path on north side of Sunnyside Rd to 82nd Ave
- › Lengthen westbound left turn lane to southbound 82nd Ave
- › Add 12-foot wide cycle track for pedestrians and cyclists on the south side of Sunnyside Rd between 82nd Ave and 84th Ave

* Upgrade intersections in Zone 1 to meet ADA requirements
